

CWRU - Adjusting Jabber Video Sign-in Settings

⇒ Open Jabber Video

(1) Click the wrench icon under the password field, then choose **Sign-in Settings...**

(2) Under **Internal Server**, enter **vcs.case.edu**

(3) Under **External Server**, enter **tpx-dmzvcs-01.case.edu**

(4) Under **SIP Domain**, ensure **case.edu** is present. If not, enter it in this field

(5) Click **OK** at the bottom

You may now log into Jabber Video using your existing Username and Password
